Landlord shall deliver the Premises to Tenant on the Commencement Date clean and free of debris and with Landlord's work substantially completed to the reasonable satisfaction of Tenant. Prior to the Commencement Date, Landlord shall repair any and all existing and/or active roof leaks above the Premises so that the Premises are fully dry. Promptly after the Commencement Date, Landlord and Tenant shall work together in good faith to execute a commencement date agreement in the form attached hereto as Exhibit B acknowledging the Commencement Date and the Expiration Date for the Primary Lease Term. Such audit shall take place during regular business hours at a time and place reasonably acceptable to the parties (which may be the location where Landlord or Landlord's Property Manager maintains the applicable records). Tenant's election to audit Landlord's determination of Tenant's Share of Operating Expenses is deemed withdrawn unless Tenant completes and delivers the audit report to Landlord within Forty-Five (45) days after the date Tenant delivers its notice of election to audit to Landlord under this Section 4.06(a).

(b) If the audit report shows that the amount Landlord charged Tenant for Tenant's Share of Operating Expenses was greater than the amount this Article IV obligates Tenant to pay, unless Landlord reasonably contests the audit, Landlord shall refund the excess amount to Tenant, together with interest on the excess amount within Five (5) Business Days after Landlord receives a copy of the audit report. Pending resolution of any audit under this Section 4.06, Tenant shall continue to pay to Landlord all estimated amounts of Tenant's Share of Operating Expenses in accordance with Section 4.04. Tenant shall bear the cost of its audit.

(c) Except for disclosures required by Law and as required for the audit by Tenant or Tenant's professional internal or third-party auditor, Tenant shall keep all information it obtains

in any audit confidential and may only use such information for the limited purpose this Section 4.06 describes and for Tenant's own account. If all of the rentable area of the Building is not occupied at all times during any calendar year pursuant to leases under which the terms and rents have commenced for such calendar year or if a portion of the Building has not commenced business operations, Landlord will reasonably and equitably adjust its computation of Operating Expenses for that calendar year to include all components of Operating Expenses that vary based on occupancy or lack of operation (for example, management fees) in an amount equal to Landlord's reasonable estimate of the amount Landlord would have paid for such components of Operating Expenses had all of the rentable area of the Building been so occupied at all times during such calendar year assuming an average rental rate equal to the average rate under existing leases ("**Gross-Up Estimate of Operating Expenses**").

Tenant shall have the right to contest Real Estate Taxes at Tenant's sole cost and expense and Landlord shall reasonably cooperate with the same. Tenant shall be credited with its equitable share of any refund of Real Estate Taxes, using Tenant's Percentage, to the extent of the Real Estate Taxes actually paid by Tenant and, if applicable, such refund shall be made to Tenant within thirty (30) days after Landlord's receipt of the same.

Section 5.05 Installments. It is agreed that in the event that there is an uncured and continuing Event of Default by Tenant under this Lease after the expiration of any applicable notice and cure periods, Landlord may draw on such Security Deposit to the extent required for the payment of Rent or any other sum as to which Tenant is in default, or any sum which Landlord may expend or may be required to expend by reason of Tenant's default in respect of any of the terms, covenants, or conditions of this Lease. In the event that Landlord does draw on the Security Deposit, Tenant shall within thirty (30) days of receiving written notice from Landlord, replenish the Security Deposit by the amount Landlord withdrew therefrom and failure to do so within such thirty (30) day period shall constitute an Event of Default under this Lease. The failure to timely deliver the Additional Security Deposit shall constitute an incurable default and Landlord shall be entitled to immediately exercise any and all remedies consistent with an Event of Default (hereinafter defined).

Section 6.02 Security Deposit Transfer. If Landlord transfers its interest in the Building during the Term of this Lease, Landlord shall assign the Security Deposit to the transferee and thereafter shall have no further liability for the return of such Security Deposit.

Section 6.03 Return of Security Deposit. If Tenant is not in default beyond any and all applicable notice and cure periods at the termination of this Lease, the balance of the Security Deposit remaining after any application of the Security Deposit (including under Section 25.01) shall be returned by Landlord to Tenant no later than the later of (x) thirty (30) days after the expiration of this Lease or (y) a final inspection of the Premises to be arranged at a mutually agreeable time to both Landlord and Tenant during the final month of the Lease Term following (i) removal of all of Tenant's furniture, fixtures, and equipment and (ii) Tenant performing any applicable restoration work.

Tenant shall obtain and pay for all permits, including a Continued Commercial Occupancy Certificate (Borough of Middlesex requirement), required for Tenant's occupancy of the Premises and shall promptly take and pay for all substantial and insubstantial actions necessary to comply with all Laws regulating the use by Tenant of the Premises, including, without limitation, the OSH Act and the ADA. Notwithstanding the foregoing, Tenant shall be permitted to use a paint booth on the Premises, as well as conduct touch-up painting on Tenant's product, in accordance with applicable law, including Environmental Laws, and municipal approval, if necessary.

Tenant shall not do or permit anything to be done in or about the Premises nor bring to or keep anything in or on the Premises that is not within the Permitted Use of the Premises or which will in any way increase the existing rate on or affect any fire or other insurance upon the Building or any of its contents, or cause a cancellation of any insurance policy or policies covering the Building or any part thereof or any of its contents. Tenant shall not conduct or give notice of any auction, liquidation, or going out of business sale at the Premises. Tenant shall not use the Building or permit the Premises to be used in violation of any Law, or in a manner which reasonably annoys or interferes with the rights of other tenants of the Building, or which constitutes a nuisance or excessive waste. Tenant also shall not permit any reasonably objectionable or unpleasant obnoxious odors, smoke, dust, gas, excessive noise, or vibrations to emanate from the Premises, or take any other action that would constitute a nuisance or would disturb, unreasonably interfere with, or endanger Landlord or any tenants of the Building Complex.

Section 7.03 Signs. Tenant shall not place any signs on the Premises without Landlord's prior written consent, such consent not to be unreasonably withheld, conditioned, or delayed.

Section 7.04 Landlord's Access.

(a) Landlord or its agents may enter the Premises to inspect the Premises or to show the Premises to potential buyers, investors, or other parties, or for any other purpose Landlord deems commercially reasonable upon twenty-four (24) hour prior written notice to Tenant (email being acceptable). Tenant or its representatives shall have the opportunity to be present during such Landlord's access onto the Premises. Landlord shall at all times have and retain a key with which to unlock all the standard entrances and exit doors in, upon, and about the Premises, excluding Tenant's vaults, safes, and files. Landlord may place customary "For Sale" or "For Lease" signs on or about the Premises, but may not place such signs in or in front of the Premises until Six (6) months prior to the end of the Term of this Lease or if Tenant vacates the Premises prior to the expiration of the Term of this Lease. Only within the six (6) months prior to the end of the Term of this Lease may Landlord show the Premises to potential tenants. Notwithstanding anything contained herein to the contrary, Landlord shall be entitled to place customary "For Sale" or "For Lease" signs if Tenant shall be in default (beyond any grace, notice, and cure periods) of any of its material obligations of this Lease.

(b) Landlord shall exercise all commercially reasonable efforts so that any entry into the Premises is reasonably designed to minimize interference with the operation of Tenant's business in the Premises.

Section 7.05 Security. Notwithstanding the foregoing, Landlord is not responsible for the security of persons or property on or about the Premises and Landlord is not and will not be liable in any way whatsoever for any criminal activity or any breach of security on or about the Premises, unless the same is caused by Landlord's negligence or misconduct. Tenant shall be responsible for obtaining and maintaining all security with respect to the interior of the Premises, whether by the use of devices, security guard personnel, or otherwise. Tenant acknowledges and agrees that Landlord shall have no liability to Tenant or its employees, agents, contractors, or invitees for the implementation or exercise of, or for the failure to implement or exercise, any security measures with respect to the interior of the Premises, the Building, or the Building Complex, unless the same is a direct result of Landlord's negligence or misconduct.

ARTICLE VIII HAZARDOUS MATERIALS

Section 8.01 Tenant Operations.

(a) Tenant shall not cause in, on, or under the Premises, or suffer or permit to occur in, on, or under, the Premises any generation, use, manufacturing, refining, transportation, emission, Release, treatment, storage, disposal, presence, or handling of Hazardous Materials, except that limited quantities of Hazardous Materials may be used, handled, or stored on the Premises, provided such limited quantities of Hazardous Materials are incident to and reasonably necessary for the maintenance of the Premises or Tenant's operations for its Permitted Use and are in compliance with all Environmental Laws. The term "**Release**" means spilling, leaking, pumping, pouring, discharging, emitting, emptying, ejecting, depositing, injecting, leaching, escaping, or dumping however defined, and whether intentional or unintentional, of any Hazardous Material.

(b) Should a Release of any Hazardous Material occur at the Premises or the Building as a result of the acts or omissions of Tenant, or its employees, agents, suppliers, shippers, customers, contractors, or invitees, Tenant shall immediately contain, remove from the Premises or the Building, and/or properly dispose of such Hazardous Materials and any material contaminated by such Release, and remedy and mitigate all threats to human health or the environment relating to such Release, all in accordance with Environmental Laws.

(c) Tenant, at its sole cost and expense, shall operate its business in the Premises and/or Building for its Permitted Use in strict compliance with all Environmental Laws and all requirements of this Lease. Tenant, at its own cost and expense, also agrees to comply with all applicable present Environmental Laws and any future environmental laws, rules and regulations of the Federal, State, County and Municipal governments and of all other governmental authorities having or claiming jurisdiction over the Premises and/or the Building or appurtenances thereto, or any part thereof, which are applicable to the Premises and/or the Building and/or the conduct of business thereon, including but not limited to ISRA.

(d) Tenant and Landlord acknowledge and agree that pursuant to the provisions of ISRA, after the Commencement Date, the Tenant and any assignee or subtenant of Tenant shall be, and is hereby, designated the party responsible to comply with the requirements of ISRA that apply to Tenant's use and operations of the Premises. If Tenant's operations on the Premises and/or Building now or hereafter do not obligate Tenant to comply with ISRA, then prior to the expiration

or sooner termination of this Lease or any subletting of any portion of the Premises, Tenant shall, at Tenant's sole cost and expense, provide to Landlord such proof, reasonably satisfactory to Landlord, that confirms the proposed termination, assignment, or subletting is not subject to the requirements of ISRA. If Tenant's operations on the Premises and/or Building now or hereafter constitute an "Industrial Establishment" as that term is defined in ISRA then prior to: (i) closing operations or transferring ownership or operations of Tenant (as defined under ISRA) at the Premises; (ii) the expiration or sooner termination of the Lease; (iii) any assignment of the Lease or any subletting of any portion of the Premises; or (iv) any other event caused by Tenant which may trigger ISRA, then Tenant shall, at Tenant's sole cost and expense, comply with all requirements of ISRA pertaining thereto. Regarding any ISRA compliance proceeding, if the NJDEP determines that a remediation plan must be prepared and/or that clean-up must be undertaken because of any spills, discharges, or a Release of Hazardous Materials or wastes at the Premises and/or Building, which occur during the Term of this Lease, the Tenant shall, at Tenant's sole cost and expense, prepare and submit the required plans and financial assurances, and carry out the approved remediation plans. Without limitation of the foregoing, Tenant's obligations in connection with ISRA and this Lease shall include:

- (i) The proper filing, with the NJDEP, of an initial notice under N.J.S.A. 13:1K-9(a);
- (ii) The performance of all remediation and other requirements of ISRA, including without limitation all requirements of N.J.S.A. 13:1K-9(b) to 13:1K-9(l); and
- (iii) The continuing obligation to pay Rent during all times under this Lease and until such time as the Tenant obtains and delivers to the Landlord a No Further Action Letter or Response Action Outcome as defined by ISRA (N.J.S.A. 13:1K-8), or such other proof, reasonably satisfactory to the Landlord, that the Premises and/or Building Complex comply without violation of ISRA.

In the event of Tenant's failure to comply in full with the foregoing provisions, Landlord may, at its option perform any and all of Tenant's obligations set for in Section 8.01 and all reasonable costs and expenses incurred by Landlord in the exercise of this right shall be deemed to be Additional Rent payable on demand and with interest at the Interest Rate until full payment. Such costs and expenses include, but are not limited to, NJDEP fees, engineering fees, cleanup costs, filing fees, and suretyship expenses.

Section 8.02 Permits and Documents. Tenant, in a timely manner, shall, to the extent required due to Tenant's use of the Premises or arising out of Tenant's actions at the Premises or the Building, obtain and maintain in full force and effect all permits, licenses, and approvals, and shall make and file all notifications and registrations as required by Environmental Laws. Tenant shall at all times comply with the terms and conditions of any such permits, licenses, approvals, notifications, and registrations. Tenant also shall complete and certify to disclosure statements as requested by Landlord from time to time relating to Tenant's transportation, storage, use, generation, manufacture, or Release of Hazardous Materials on the Premises and/or Building, and Tenant shall promptly deliver to Landlord a copy of any notice of violation relating to the Premises and/or Building of any Environmental Law requirements. Tenant shall provide copies of the following pertaining to the Premises or Tenant's use thereof, promptly after each shall have been submitted, prepared, or received by Tenant: (a) all notifications and associated materials

submitted to any governmental agency, including the NJDEP, relating to any Environmental Law; (b) all notifications, registrations, reports, and other documents and supporting information prepared, submitted, or maintained in connection with any Environmental Law or otherwise relating to environmental conditions; (c) all permits, licenses, and approvals, including any modifications thereof, obtained pursuant to any Environmental Law; and (d) any correspondence, notice of violation, summons, order, complaint, or other documents received by Tenant pertaining to compliance with or liability under any Environmental Law.

Section 8.03 Inspection and Environmental Reports. Upon not less than Twenty-Four (24) hours' prior written notice (except in the case of an emergency in which event Landlord shall provide written notice as soon as is practicable under the circumstances), Tenant agrees to permit Landlord and its authorized representatives to enter, inspect, and assess the Premises at reasonable times for the purpose of determining Tenant's compliance with the provisions of this Article VIII. Such inspections and assessments may include obtaining samples and performing tests of soil, surface water, ground water, or other media. Landlord may, at Landlord's sole option and sole expense, now or in the future, obtain a report from an environmental consultant of Landlord's choice as to whether Tenant has been or is currently using any part of the Premises for the improper use, handling, storage, transportation, or disposal of Hazardous Materials. If any such report indicates such improper use, handling, storage, transportation, or disposal of Hazardous Materials on the part of Tenant (or on behalf of Tenant), Tenant agrees to reimburse Landlord within thirty (30) days after receipt of an invoice and supporting documentation from Landlord for the cost of obtaining the environmental report, and, in addition, Landlord shall require that all violations of Environmental Law with respect to the Hazardous Materials be corrected and/or that Tenant obtain all necessary environmental permits and approvals.

Section 8.04 Environmental Indemnification.

(a) Tenant hereby agrees to indemnify, defend, save, and keep Landlord, and Landlord's officers, principals, shareholders, partners, employees, successors, and assigns, harmless from and against any and all liabilities, obligations, charges, losses, damages, penalties, claims, actions, and expenses, including without limitation, engineers' and professional fees, soil tests, and chemical analysis, court costs, legal fees, and expenses through all trial, appellate, and administrative levels, imposed on, incurred by, or asserted against Landlord as a result of any breach of the requirements under this Article VIII, or in way relating to, arising out of, or in connection with the use, handling, storage, transportation, or disposal of Hazardous Materials by Tenant or its agents, employees, representatives, tenants, or contractors in, on, or about the Premises and/or the Building during the Term of this Lease. The foregoing indemnification shall survive any assignment or termination of this Lease.

(b) In the event there shall be filed a lien against the Land, Premises and/or the Building arising out of a claim against Tenant, its assignees, subtenants, agents, employees, contractors, or invitees by the NJDEP pursuant to the provisions of the Spill Act or by the United States Environmental Protection Agency pursuant to the provisions of CERCLA, Tenant shall immediately either: (i) pay the claim and remove the lien from the Premises and/or the Building; or (ii) furnish a bond, cash receipt, or other security satisfactory to the Landlord sufficient to discharge the claim out of which the lien arises.

(c) Landlord hereby agrees to indemnify, defend, save, and keep Tenant, and Tenant's officers, principals, shareholders, partners, employees, successors, and assigns, harmless from and against any and all liabilities, obligations, charges, losses, damages, penalties, claims, actions, and expenses, including without limitation, engineers' and professional fees, soil tests, and chemical analysis, court costs, legal fees, and expenses through all trial, appellate, and administrative levels, imposed on, incurred by, or asserted against Tenant as a result of any or in way relating to, arising out of, or in connection with the use, handling, storage, transportation, or disposal of Hazardous Materials by Landlord or its agents, employees, representatives, or contractors in, on, or about the Premises and/or the Building whether same occurred prior to the Lease Date or after the Lease Date. The foregoing indemnification shall survive any assignment or termination of this Lease.

ARTICLE IX PARKING

Landlord agrees to provide Tenant with sufficient parking spaces, including, without limitation, handicapped parking spaces, for Tenant's employees, agents, invitees, customers, and contractors, which shall in no event be less than the number of parking spaces required with respect to the Premises under applicable Laws, and loading docks adjacent to and having direct access to the Premises. Notwithstanding the above, Landlord shall provide an exclusive parking lot and exclusive parking lot access to the parking lot adjacent to Sections A, B, and C of the Building as shown on Exhibit D. Landlord acknowledges and agrees that Tenant shall have the right to install a gate and a gate lock in the exclusive parking lot area so long as all work complies with section 11.04 of this Lease and Tenant provides Landlord with keys and/or codes for this gate and gate lock.

ARTICLE X SERVICES AND UTILITIES

Section 10.01 Payment by Tenant for Services and Utilities. Tenant shall pay, directly to the appropriate supplier, the cost of all natural gas, heat, light, power, sewer service, telephone, water, refuse disposal, and other services and utilities supplied to the Premises. However, if any services or utilities are jointly metered with other portions of the Building or the Building Complex, Landlord shall include such costs in Operating Expenses. If Tenant uses a disproportionate amount of water, Landlord may make an equitable allocation of charges for same and Tenant shall pay its equitable amount as reasonably determined by Landlord, as Additional Rent. Notwithstanding anything to the contrary herein, Tenant acknowledges that Landlord, at its sole cost and expense, may install solar panels on the roof of the Building (the "Solar Panel Project"). Upon completion of the Solar Panel Project, Landlord may, at its option provide power to Tenant directly at cost less five percent (5%) that Landlord pays to the PSE&G (*i.e.* if Landlord is charged ten cents (\$0.10) per kilowatt hour (kWhs), Landlord must provide electricity to Tenant at nine and one-half cents (\$.095) per kilowatt hour (kWhs)). Landlord hereby agrees to indemnify, defend, save, and keep Tenant, and Tenant's officers, principals, shareholders, partners, employees, successors, and assigns, harmless from and against any and all liabilities, obligations, charges, losses, damages, penalties, claims, actions, and expenses, including without limitation, court costs, legal fees, and expenses through all trial, appellate, and administrative levels, imposed on, incurred by, or asserted against Tenant as a result of any or in way relating to, arising out of, or in connection with the Solar Panel Project by Landlord or its agents, employees, representatives, or contractors in, on, or about

the Premises and/or the Building whether same occurred prior to the Lease Date or after the Lease Date. The foregoing indemnification shall survive any assignment or termination of this Lease.

Section 10.02 Interruption of Services and Utilities. If any of the services or utilities Landlord is required to furnish hereunder are interrupted, Landlord will use reasonable diligence to restore the services or utilities promptly and in such a way that will not unreasonably interfere with Tenant's operations at the Premises, but (except as otherwise provided in this Lease) Tenant will have no claim for rebate of Rent, damages (including damages for business interruption) or eviction on account thereof. Notwithstanding the foregoing, should any service or utility to the Premises be interrupted due to the acts or omissions of Landlord, its agents, contractors, or employees, then if such interruption continues for more than twenty-four (24) hours and causes Tenant to be unable to conduct its normal business operation in the Premises as a result of such interruption, then Basic Rent and any other recurring item of Additional Rent shall be equitably abated from the commencement of said interruption in service until such utility or service is restored provided that Tenant cooperate with Landlord for any and all repair and restoration work required to be undertaken.

ARTICLE XI MAINTENANCE, REPAIRS, AND ALTERATIONS

Section 11.01 Maintenance by Tenant. Tenant shall at all times during the Term of this Lease keep the Premises (including maintenance of exterior entrances, all glass and show window moldings and repair of the portion of the Building's roof over the Premises))) and all partitions, doors, doorjambs, door closures, door hardware, fixtures, equipment, and appurtenances thereof that service the Premises (including electrical, lighting, heating, plumbing and plumbing fixtures, and any air-conditioning systems, including leaks around ducts, pipes, vents, or other parts of the air-conditioning, heating, or plumbing systems which protrude through the roof)), in good order, condition, and repair including replacements (if needed). Tenant shall also repair any damages to the structural portions of the roof and the Building resulting from Tenant's grossly negligent acts or intentional omissions or anyone acting by or through or claiming under Tenant as a result of the failure of Tenant or any one claiming under Tenant, and perform or observe the covenants or conditions in this Lease contained or resulting from Alterations, additions, or improvements to the Premises made by Tenant or anyone claiming under or acting by or through Tenant. Tenant shall contract with a local, reputable service company for the maintenance of the HVAC equipment and/or evaporative coolers servicing the Premises, with a copy of the service contract to be furnished to Landlord within Thirty (30) days after the Commencement Date. A copy of any subsequent contracts shall be furnished promptly to Landlord during the Term of this Lease. If Tenant refuses or neglects to furnish a copy of a maintenance contract for the HVAC equipment and/or evaporative coolers, Landlord may contract for such maintenance and shall bill Tenant for the cost, plus Three percent (3%) overhead, and Tenant agrees to reimburse Landlord for the cost within Five (5) Business Days of Landlord's billing, as Additional Rent. Notwithstanding anything contained in this section to the contrary, Tenant shall only be responsible for repair of the portion of the Building's roof over the Premises commencing on the ninth (9th) month after the Commencement Date unless repair is necessitated by Tenant's intentional conduct or gross negligence. For the avoidance of ambiguity, in the event that the Building's roof requires replacement at any time throughout the Term, Landlord shall be solely responsible for such replacement, which replacement shall be deemed a capital improvement consistent and in compliance with section 4.01(h) of this Lease.

Section 11.02 Maintenance by Landlord. If Tenant refuses or neglects to maintain or repair the Premises as required in Section 11.01 of this Lease, then within thirty (30) days after written demand from Landlord, Landlord shall have the option, but not the obligation, to make such repairs without liability to Tenant for any loss or damage that may accrue to Tenant's merchandise, fixtures, or property, or to Tenant's business thereof, and upon completion thereof, and Tenant shall pay Landlord's cost for making such repairs, plus three percent (3%) for overhead, as Additional Rent, within thirty (30) days from receipt of invoice from Landlord. Notwithstanding anything contained in this Lease to the contrary, Landlord, at its sole cost and expense, shall at all times during the Term of this Lease maintain, repair, and replace the exterior walls, all portions of the roof for which Tenant is not responsible (including the roof membrane), and all structural portions of the Building, and shall periodically paint the exterior walls of the Building from time to time as determined to be necessary by Landlord or its designee, and subject to the obligations of Tenant under the provisions of this Lease. Landlord shall repair and replace plumbing, utility, and/or sewer lines and mains which service the Premises up to the point the lines and mains enter the Premises, at which point Tenant shall be responsible for such maintenance. Landlord, at its sole cost and expense, shall keep, repair, operate, and maintain the following in good order, condition, and repair, and in compliance with all applicable Laws: (a) the foundation, exterior walls, and structural systems, and all portions of the roof of the Building that Tenant is not responsible for and the underground utilities serving the Premises; (b) the electrical, mechanical, plumbing, heating, and air-conditioning systems, facilities, and components located in or adjacent to the Building and/or used in common by all tenants of the Building; (c) the Common Areas (subject to all other terms and conditions of this Lease relating to the Common Areas); (d) those windows, doors, plateglass, and exterior wall surfaces adjacent to the Common Areas; and (e) the loading docks and parking areas

Section 11.03 Alterations, Additions, and Improvements.

(a) Tenant shall not make any Alterations, additions, or improvements to the Premises without Landlord's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed, and Landlord must respond within Ten (10) days of receipt of a written request from Tenant; provided, however, Tenant shall not require Landlord's consent for nonstructural Alterations which do not exceed Fifty Thousand 00/100 Dollars (\$50,000.00) in cost per project. Landlord may require Tenant to provide demolition and/or lien and completion bonds in form and amount satisfactory to Landlord if the cost of Alterations exceeds Ten Thousand 00/100 Dollars (\$10,000). All Alterations, additions, and improvements will be accomplished in a good and workmanlike manner, in conformity with all applicable Laws, and by a contractor (licensed as necessary by the State or municipality) who is registered, bonded, and insured. Prior to commencing any such work, Tenant, at Landlord's written request, shall provide Landlord with "as-built" plans, and copies of all construction contracts. Upon completion of any such work, Tenant, at Landlord's written request, proof of payment for all labor and materials. Tenant agrees that Tenant will pay all liens of contractors, subcontractors, mechanics, laborers, materialmen, and other items of like character, and will indemnify Landlord against all expenses, costs, and charges, including bond premiums for release of liens and attorneys' fees and costs reasonably incurred in and about the defense of any suit in discharging the Premises or any part thereof from any liens, judgments, or encumbrances caused or suffered by Tenant. In the event any such lien shall be made or filed, Tenant shall bond against or discharge the same within ten (10) days after the same has been made or filed or as soon as practicable after Tenant becomes aware of such lien. It is understood and agreed between the parties to this Lease that the expenses, costs, and charges above referred to shall be considered as Additional Rent due and shall be included in any lien for Rent.

(b) Anything herein to the contrary notwithstanding, Tenant shall provide Landlord prior written notice but shall not be required to obtain Landlord's consent with respect to any painting, decorating, or installation of carpeting within the Premises, installation or relocation of any electrical outlets within the Premises, the removal, reconfiguration, or installation of furniture including any power supply connected thereto, and/or the installation or relocation of low voltage wiring associated with any furniture, fixtures, or equipment installed within the Premises and which are not visible from the outside of the Building provided such electrical work is done by properly licensed electricians and pursuant to such permits if required by law. In no event shall Tenant be required to provide Landlord notice in connection with any cosmetic Alterations. Landlord shall receive no fee for profit, overhead, general conditions, or supervision on any Alterations. Landlord acknowledges and agrees that Tenant shall have the right to self-manage the Alterations, or hire a third party of its choosing.

(c) All Alterations, additions, or improvements placed on or made to the Premises by Tenant, excluding Personal Property, furniture, trade fixtures, and other movable property not attached to the Building, shall at once become the property of Landlord, and upon termination of this Lease shall be surrendered to Landlord or, at Landlord's option, shall be removed at Tenant's expense. All furniture, Personal Property, trade fixtures, shelves, bins, and machinery installed by Tenant shall be removed by Tenant prior to the expiration or termination of this Lease and all damage to the Premises or the Building caused by the installation or removal of such items shall be repaired at Tenant's expense, prior to (i) the expiration or termination of this Lease and (ii) the final inspection as per paragraph 6(c) above.

ARTICLE XII COVENANT AGAINST LIENS

Nothing contained in this Lease shall authorize or empower Tenant to do any act which shall in any way encumber Landlord's title to the Building, or the Premises, nor in any way subject Landlord's title to any claims by way of lien or encumbrance whether claimed by operation of Law or by virtue of any expressed or implied contract of Tenant, and any claim to a lien upon the Building, or the Premises arising from any act or omission of Tenant shall attach only against Tenant's interest and shall in all respects be subordinate to Landlord's title to the Building, and the Premises. If Tenant has not removed or bonded over any such lien or encumbrance within ten (10) days after written notice to Tenant by Landlord, Landlord may, but shall not be obligated to, pay the amount necessary to remove such lien or encumbrance, without being responsible for making any investigation as to the validity or accuracy thereof, and the amount so paid, together with all costs and expenses (including reasonable attorneys' fees) incurred by Landlord in connection therewith, shall be deemed Additional Rent reserved under this Lease and due and payable within ten (10) days after Tenant's receipt of notice of such payment by Landlord and supporting documentation.

ARTICLE XIII INTENTIONALLY OMITTED

ARTICLE XIV ASSIGNMENT AND SUBLEASING

Section 14.01 Landlord's Consent Required. Tenant shall not, directly or indirectly, voluntarily or by operation of Law, sell, assign, encumber, mortgage, pledge, or otherwise transfer or hypothecate all of any part of the Premises, or Tenant's leasehold estate hereunder, or sublet all or any portion of the Premises or permit the Premises to be occupied by anyone other than Tenant (each such act herein referred to as a "**Transfer**"), without Landlord's prior written consent in each instance, which consent shall be in Landlord's sole and absolute discretion. Any attempted Transfer without Landlord's prior written consent shall be void and shall constitute a non-curable breach of this Lease. If Tenant is a partnership or a limited liability company, any cumulative transfer of more than Fifty percent (50%) of the partnership or limited liability company membership interests, as applicable, shall constitute a Transfer and shall require Landlord's consent. Without limiting the foregoing, it shall constitute a Transfer and shall require Landlord's consent if: (a) Tenant is a limited partnership, there is a transfer of a general partner interest; (b) if Tenant is a limited liability company, there is a transfer of any managing membership interest; or if Tenant is a corporation, any change in a controlling interest of the voting stock of the corporation shall constitute a Transfer and shall require Landlord's prior consent.

Section 14.02 No Release of Tenant. No Transfer permitted under this Lease, whether with or without Landlord's consent, shall release Tenant or change Tenant's primary liability to pay the Rent and to perform all other obligations of Tenant under this Lease. Landlord's acceptance of Rent from any other person is not a waiver of any provision of this Lease. Consent by Landlord to one Transfer is not consent to any subsequent Transfer. If Tenant's transferee defaults under this Lease, Landlord may proceed directly against Tenant without pursuing remedies against the transferee. Landlord may consent to subsequent Transfers of this Lease by Tenant's transferee, without notifying Tenant or obtaining its consent. Such action shall not relieve Tenant's liability under this Lease. If Tenant transfers Tenant's interest hereunder, then Landlord shall receive, as Additional Rent, the excess, if any, between the rent (or other consideration) paid in connection with such Transfer and the Rent payable by Tenant hereunder.

Section 14.03 Landlord's Election. Tenant's request for consent to any Transfer shall be accompanied by a written statement setting forth the details of the proposed Transfer, including the name, business, and financial condition of the prospective transferee, financial details of the proposed Transfer (such as the term of the sublease and the amount of rent and security deposit payable under any assignment or sublease), and any other information Landlord deems relevant. Landlord shall have the right: (a) to withhold consent; (b) to grant consent; or (c) if the Transfer is a sublease of the entire Premises or an assignment of this Lease, to terminate this Lease as of the effective date of such proposed sublease or assignment and enter into a direct lease with the proposed assignee or subtenant.

Section 14.04 No Merger. No merger shall result from Tenant's sublease of the Premises, Tenant's surrender of this Lease or the termination of this Lease in any other manner. In any event, Landlord may terminate any or all subtenancies or succeed to the interest of Tenant as sublandlord thereunder.

Section 14.05 Permitted Transfers. Notwithstanding the foregoing, Tenant may, without the consent of Landlord make the following Transfers to the following Persons (each a "**Permitted Transfer**" and each a "**Permitted Transferee**"):

- (a) An assignment or sublet of this Lease to any Affiliate of Tenant [or Person] which shall: (i) Control; (ii) be under the Control of; or (iii) be under common Control with Tenant. As used herein, "**Control**" shall mean ownership of more than Eighty percent (80%) of the

outstanding voting stock of a corporation or other majority equity and control interest if not a corporation and the possession of power to direct or cause the direction of the management and policy of such corporation or other entity, whether through the ownership of voting securities, by statute, or according to the provisions of a contract;

(b) An assignment of this Lease to any entity which is a successor to Tenant either by merger or other consolidation of Tenant;

(c) An assignment, pledge, or leasehold mortgage on Tenant's interest in this Lease to any bank or banks or other lending institutions for the purpose of securing indebtedness;

(d) A public offering of Tenant;

(e) A pledge by any direct or indirect parent of Tenant of its interests in the Tenant;

(f) A sale of all or substantially all the assets of Tenant or its direct or indirect parent, Affiliate, or a Related Entity;

(g) Sublet, license, hypothecate all or a portion of the Premises to a third-party or permit the use or occupancy of the Premises (each a "Transfer") provided that:

(i) Tenant obtains Landlord's prior written consent, which consent may not be unreasonably, withheld, delayed or conditioned provided (i) Tenant shall deliver to Landlord prior written notice of such proposed transfer together with such related information as Landlord shall reasonably request at least 60 days prior to the effective date of any Transfer; (ii) no Event of Default under this Lease shall have occurred and be continuing beyond any and all applicable grace, notice, and cure periods, if any; (iii) the financial worth and creditworthiness of the proposed transferee shall not be less than that of Tenant both as of the date of execution of this Lease and the date of such proposed Transfer, based upon audited financial statements or equivalent financial information, and shall for all other transfer be sufficient to meet the obligations of the applicable sublease; (iv) Tenant shall remain fully liable under this Lease and the transferee shall be jointly and severally liable with Tenant for all such obligations; (v) such transferee (in the event of an assignment) shall agree directly with Landlord to be bound by all of the obligations of Tenant hereunder pursuant to an assumption agreement reasonably satisfactory to Landlord, including, without limitation, the obligation to pay all Rent and other charges due under this Lease. If at any time or from time to time during the Term, Tenant desires to effect a Transfer, Tenant shall deliver to Landlord written notice (a "Transfer Notice") setting forth the terms of the proposed Transfer and the identity of the proposed assignee or subtenant (each, a "Transferee"). Tenant shall also deliver to Landlord with the Transfer Notice an acceptable assumption agreement for Tenant's obligations under this Lease (in the case where the Transfer is a proposed assignment of this Lease) together with all relevant information reasonably requested by Landlord concerning the proposed Transferee to assist Landlord in making an informed judgment regarding the Transferee. Tenant agrees to reimburse Landlord for reasonable accounting and attorneys' fees not to exceed \$1,500.00 in total incurred in conjunction with the processing and documentation of any such requested transfer.

(ii) The Transfer Notice shall be deemed an offer from Tenant to Landlord whereby Landlord (or Landlord's designee) may, at its option, terminate this Lease as to all or the affected portion of the Premises (as the case may be) as of the effective date of the proposed Transfer. Landlord may exercise its recapture right by notice to Tenant at any time within thirty (30) days after Landlord's receipt of Tenant's Transfer Notice.

(iii) If Tenant effects any Transfer, then Tenant thereafter shall pay to Landlord a sum equal to (a) the Base Rent, Additional Rent, or any other consideration paid to Tenant by any transferee which is in excess of the Rent then being paid by Tenant to Landlord under this Lease for the portion of the Premises so assigned or sublet (on a pro-rated, square footage basis) , and (b) any other profit or gain (after deducting any necessary expenses incurred) realized by Tenant from the Transfer. All sums payable by Tenant pursuant to this paragraph shall be payable to Landlord as Rent immediately upon receipt by Tenant.

(iv) Tenant shall not accept, directly or indirectly, more than one (1) month's prepaid rent from any transferee;

(v) Each Transfer shall provide that the transferee is not to use or permit the use of the premises for any purpose contrary to the provisions of this Lease; and

(vi) Tenant and Guarantor shall remain primarily liable under this Lease to Landlord, notwithstanding any subletting of the Premises or a portion thereof.

ARTICLE XV INSURANCE AND INDEMNIFICATION

Section 15.01 Payment of Premiums. The cost of the premiums for the insurance policies maintained by Landlord shall be an Operating Expense. Premiums for policy periods commencing before and ending after the Term of this Lease shall be prorated.

Section 15.02 Liability Insurance. Tenant shall, at Tenant's sole cost and expense, obtain and keep in force during the Term of this Lease commercial general liability insurance (or the equivalent Insurance Services Office Inc. form providing substantially similar coverage in general use from time to time in the State) insuring Landlord and Tenant, and any lender[s] whose names have been provided to Tenant in writing (as additional insureds), against any and all claims for bodily injury and property damage occurring in, or about the Premises arising out of, or in any way related to, the ownership, use, occupancy, or maintenance of the Premises (and all areas appurtenant thereto) by Tenant or its agents, employees, or invitees. Such insurance shall be provided through a combined single limit policy in an amount not less than Five Million 00/100 Dollars (\$5,000,000) per occurrence with excess umbrella liability insurance in the amount of Two Million 00/100 Dollars (\$2,000,000). If Tenant has other locations that it owns or leases the policy shall include an aggregate limit per location endorsement. The policy shall insure performance by Tenant of the indemnity provision of this Article XV. The limits of said insurance shall not, however, limit the liability of Tenant hereunder. All insurance to be carried by Tenant shall be primary to and not contributory with any similar insurance carried by Landlord, whose insurance shall be considered excess insurance only. In addition, Tenant shall maintain workers' compensation insurance as is required by the Laws of the State.

Section 15.03 Property Insurance.

(a) Landlord shall obtain and keep in force during the Term of this Lease a policy or policies of insurance covering loss or damage to the Building, in the amount of the full replacement value thereof, as the same may exist from time to time, but in no event less than the total amount required by lenders having liens on the Premises, against all perils included within the classification of fire, extended coverage, vandalism, malicious mischief, flood (in the event same is required by a lender having a lien on the Building), and special extended perils ("all risk" as such term is used in the insurance industry). Said insurance shall provide for a payment of loss thereunder to Landlord or to the holder of deeds of trust or mortgages on the Premises.

(b) Tenant shall pay for any increase in the premiums of property insurance obtained by Landlord if said increase is caused by Tenant's acts, omissions, use, or occupancy of the Premises.

(c) Tenant shall obtain and maintain insurance coverage for full replacement cost on all of Tenant's Personal Property, trade fixtures, and Tenant Improvements in, on, or about the Premises. Such insurance shall be full replacement cost with a deductible not to exceed Ten Thousand 00/100 Dollars (\$10,000) per occurrence. Landlord shall not insure Tenant's Improvements or any of its trade fixtures, equipment, or alterations.

Section 15.04 Rental Insurance. Tenant shall obtain and keep in force during the Term of this Lease a policy of rental value insurance covering Rent for a period of one year, with loss payable to Landlord. Tenant shall pay the cost of such insurance directly to the insurer and shall provide Landlord proof of such insurance and payment of the premiums therefor.

Section 15.05 Insurance Policies. Insurance required hereunder shall be issued by companies licensed to do business in the State and holding a "General Policyholders Rating" of not less than "A," or such other rating as may be required by a lender having a lien on the Building, as set forth in the most current issue of "Best Insurance Guide," or any successor thereto (or if there be none, an organization having a national reputation). No policy carried by Tenant shall be cancelable or subject to reduction of coverage or other modification except after Thirty (30) days prior written notice to Landlord. Not less than Thirty (30) days prior to the expiration of such policies, Tenant shall furnish Landlord with renewals or "binders" thereof, or Landlord may order such insurance and charge the cost thereof to Tenant, which amount shall be payable by Tenant upon demand. Tenant shall not do or permit to be done anything which shall invalidate the insurance policies carried by Landlord. If Tenant does or permits to be done anything which shall increase the cost of the insurance policies referred to in this Article XV, then Tenant shall immediately upon Landlord's demand reimburse Landlord for any additional premiums attributable to any act or omission or operation of Tenant causing such increase in the cost of insurance. Executed copies of policies of insurance or certificates thereof (ACORD Form 28) shall be delivered to Landlord within Five (5) Business Days after the Commencement Date (and with respect to any insurance required under Section 2.04 hereof, prior to the commencement of the Initial Tenant Improvements). If Tenant fails to obtain insurance or deliver to Landlord proof of insurance as required by this Lease, Landlord shall have the option, but not the obligation, to purchase such insurance on behalf of Tenant. Landlord's exercise of this option shall not limit any of Landlord's remedies available for default under Paragraph 18 below. In addition, Tenant agrees to reimburse Landlord for all costs incurred in connection with procuring such insurance within Five (5) Business Days of Landlord's billing, as Additional Rent.

Section 15.06 Waiver of Subrogation. Tenant and Landlord each hereby release and relieve the other and waive their entire right of recovery against the other for loss or damage arising out of or incident to the perils insured against under this Article XV, which perils occur in, on, or about the Premises, whether due to the negligence of Landlord, Landlord Parties, or Tenant, or any of their agents, employees, contractors, and/or invitees. Tenant and Landlord shall, upon obtaining the policies of insurance required hereunder, give notice to the insurance carrier or carriers that the foregoing mutual waiver of subrogation is contained in this Lease.

Section 15.07 Indemnity.

(a) Tenant shall indemnify and hold harmless Landlord and Landlord's officers, agents, employees, partners, successors, and assigns (collectively, the "**Landlord Parties**") from and against any and all claims arising from Tenant's use of the Premises, or from the conduct of Tenant's business or from any activity, work, or things done, permitted, or suffered by Tenant in, on, or about the Premises or elsewhere, and shall further indemnify and hold harmless all Landlord Parties from and against any and all claims arising from any breach or default in the performance of any obligation on Tenant's part to be performed under the terms of this Lease, or arising from any negligence of Tenant, or any of Tenant's agents, contractors, or employees, and from and against all costs, attorneys' fees, expenses, and liabilities incurred in the defense of any such claim or any action or proceeding brought thereon; and in case any action or proceeding shall be brought against Landlord by reason of any such claim, Tenant, upon notice from Landlord, shall defend the same at Tenant's expense by counsel satisfactory to Landlord..

(b) Landlord shall indemnify and hold harmless Tenant and Tenant's officers, agents, employees, partners, successors, and assigns (collectively, the "**Tenant Parties**") from and against any and all claims arising from Landlord's use of the Building, or from the conduct of Landlord's business or from any activity, work, or things done, permitted, or suffered by Landlord in, on, or about the Building or Premises or elsewhere, and shall further indemnify and hold harmless all Tenant Parties from and against any and all claims arising from any breach or default in the performance of any obligation on Landlord's part to be performed under the terms of this Lease, or arising from any negligence of Landlord, or any of Landlord's agents, contractors, or employees, and from and against all costs, attorneys' fees, expenses, and liabilities incurred in the defense of any such claim or any action or proceeding brought thereon; and in case any action or proceeding shall be brought against Tenant by reason of any such claim, Landlord, upon notice from Tenant, shall defend the same at Landlord's expense by counsel satisfactory to Tenant.

ARTICLE XVI
DAMAGE AND DESTRUCTION

Section 16.01 Partial Damage to Premises.

(a) Tenant shall notify Landlord in writing promptly upon the occurrence of any damage to the Premises and, if Landlord is obligated to repair such damage, Landlord shall, within thirty (30) days after such casualty (or, if later, after Landlord's receipt of Tenant's notice of such casualty), deliver to Tenant a good faith estimate (the "**Damage Notice**") of the time needed to repair the damage caused by such casualty. Subject to subparagraph (c) below, if the Premises are only partially damaged and if the proceeds received by Landlord from the insurance policies

maintained by Landlord are sufficient to pay for the necessary repairs, this Lease shall remain in effect and Landlord shall repair the damage as soon as is reasonably possible. Landlord shall not be required to make repairs or replacements of any damage to Tenant's Improvements or to any other fixtures, equipment, Personal Property, or leasehold improvements of Tenant. If the insurance proceeds received by Landlord are not sufficient to pay the entire cost of repair, or if the cause of the damage is not covered by the insurance policies which Landlord maintains, Landlord may elect either to: (i) repair the damage as soon as is reasonably possible, in which case this Lease shall remain in full force and effect; or (ii) terminate this Lease effective as of the date the damage occurred. Landlord shall notify Tenant within Five (5) Business Days after receipt of notice of the occurrence of the damage whether Landlord elects to repair the damage or terminate the Lease. If Landlord elects to repair the damage, Tenant shall pay Landlord the deductible amount (if any) under Landlord's insurance policies, and, if the damage was due to an act or omission of Tenant, the difference between the actual cost of repair and any insurance proceeds received by Landlord. If the damage to the Premises occurs during the last Six (6) months of the Primary Lease Term, or if Tenant is entitled to and properly exercises its Renewal Option in accordance with the terms of Article XXVII of this Lease, the last Six (6) months of the Renewal Lease Term, Landlord may elect to terminate this Lease effective as of the date the damage occurred, regardless of the sufficiency of any insurance proceeds. In such event, Landlord shall not be obligated to repair or restore the Premises and Tenant shall have no right to continue this Lease. Landlord shall notify Tenant of its election within Five (5) Business Days after receipt of notice of the occurrence of the damage.

Section 16.02 Total or Substantially Destroyed.

(a) If the Premises are totally or Substantially Destroyed by any cause whatsoever, or if the Building is Substantially Destroyed (even though the Premises are not totally or Substantially Destroyed), this Lease shall terminate as of the date the destruction occurred regardless of whether Landlord receives any insurance proceeds. The term "**Substantially Destroyed**" shall mean a Eighty percent (80%) destruction of the Premises or Building. Notwithstanding the foregoing, and regardless of whether or not insurance proceeds are available, if the Premises can be rebuilt within Six (6) months after the date of destruction, Landlord may elect to rebuild the Premises at Landlord's own expense, in which case, this Lease shall remain in full force and effect. Landlord shall notify Tenant of such election within Thirty (30) days after the occurrence of total or if Substantially Destroyed. If the destruction was caused by an act or omission of Tenant, Tenant shall pay Landlord the difference between the actual cost of rebuilding and any insurance proceeds received by Landlord.

Section 16.03 Temporary Reduction of Rent. If the Premises are destroyed or damaged and Landlord repairs or restores the Premises pursuant to the provisions of this Lease, any Base Rent and Additional Rent payable during the period of such damage, repair, and/or restoration shall be reduced according to the degree, if any, to which Tenant's use of the Premises is impaired. However, the reduction shall not exceed the lesser of the sum of one year's payment of Base Rent and Additional Rent or the proceeds received by Landlord from Tenant's loss of income insurance coverage. Except for such possible reduction in Base Rent and Additional Rent, Tenant shall not be entitled to any compensation, reduction, or reimbursement from Landlord as a result of any damage, destruction, repair, or restoration of or to the Premises.

Section 16.04 Tenant's Rights. Notwithstanding the above, if the Premises are damaged such that Tenant is prevented from conducting its business in the Premises in a manner reasonably comparable to that conducted immediately before such casualty and Landlord estimates that the damage caused thereby for which Landlord is responsible to repair under this Lease cannot be repaired within one hundred eighty (180) days from the happening of such damage (the "Repair Period"), then Tenant may terminate this Lease by delivering written notice to Landlord of its election to terminate within 30 days after the Damage Notice has been delivered to Tenant. Notwithstanding anything contained herein to the contrary, Tenant shall have no right to terminate this Lease if determined by a licensed engineer or architect, mutually selected by the parties, Tenant caused the casualty.

ARTICLE XVII EMINENT DOMAIN

Section 17.01 Taking. Should the Premises or the Building be taken, appropriated, or condemned for public purposes, or voluntarily transferred in lieu of condemnation, in whole or in such substantial part as to render the Building unsuitable for Landlord's purposes or the Premises unsuitable for Tenant's purposes, the Term of this Lease shall, at the option of Landlord in the first instance and at the option of Tenant in the second instance, terminate when Tenant's right to possession is terminated. If neither party exercises this option to terminate within Thirty (30) days after the date of such taking, or if the portion of the Premises or the Building that is taken, appropriated, condemned, or voluntarily transferred in lieu of condemnation does not render the Building unsuitable for Landlord's purposes or the Premises unsuitable for Tenant's purposes, then this Lease shall terminate only as to the part taken or conveyed on the date Tenant shall yield possession, and Landlord shall make such repairs and alterations as may be necessary to make the part not taken usable, and the Rent payable hereunder shall be reduced in proportion to the part of the Premises taken. All compensation awarded for such taking of the fee and leasehold shall belong to and be the property of Landlord without any deduction therefrom for any present or future estate of Tenant and Tenant hereby assigns to Landlord all its right, title, and interest to any such award. However, Tenant shall have the right to recover from the condemning authority, but not from Landlord, such compensation as may be awarded to Tenant on account of interruption of Tenant's business, for moving and relocation expenses, and for depreciation to and removal of Tenant's goods and trade fixtures.

Section 17.02 Tenant's Right to Terminate. Notwithstanding the foregoing:

(a) Tenant shall have the right to terminate this Lease if the condemnation renders the Building unsuitable for Tenant's purposes or if Eighty percent (80%) or more of the Premises is impaired. If Tenant elects to exercise its termination right hereunder, Tenant shall provide written notice thereof to Landlord within Ten (10) days after the condemnation acquisition (or voluntary transfer in lieu of condemnation) has occurred, whereupon this Lease shall be terminated effective as of the date of condemnation acquisition (or voluntary transfer in lieu of condemnation) and neither party shall have any further rights or obligations hereunder (except for any obligations that expressly survive the termination of this Lease).

(b) Tenant shall be entitled to direct payment by the condemning authority for its interest in this Lease and the Premises for its moving and relocation costs, and any other amount in addition to the foregoing awarded to Tenant by the condemning authority that does not reduce the amount of the award payable to Landlord. If a direct payment is not allowed by applicable local law, the Landlord shall pay Tenant: (i) the portion of the Landlord's award that is attributable

to the value of Tenant's interest and business, as determined by the condemning authority; and (ii) an amount equal to the unamortized portion of any expenditures by Tenant for its improvements or Alternations to the Premises.

(c) Tenant shall be deemed to have ownership rights in the fixtures to the Premises.

ARTICLE XVIII DEFAULTS AND REMEDIES

Section 18.01 Covenants and Conditions. Tenant's performance of each of Tenant's obligations under this Lease is a condition as well as a covenant. Tenant's right to continue in possession of the Premises is conditioned upon such performance. Time is of the essence in the performance of all covenants and conditions.

Section 18.02 Events of Default. Tenant shall be in material default under this Lease if any one or more of the following events (herein sometimes referred to individually as an "**Event of Default**" and collectively as "**Events of Default**") shall occur and shall not be timely remedied as herein provided:

(a) If Tenant fails to make any payment of Base Rent, or scheduled payments of operating expenses or Real Estate Taxes, or any part thereof, or Additional Rent when and as the same shall become due and payable and such default continues for a period of ten (10) days after receipt by Tenant of notice from Landlord specifying the default due under this Lease or any part thereof when due and such nonpayment continues after ten (10) days' written notice from Landlord, provided that Landlord shall not be required to give such notice and cure period more than two (2) times every calendar year.

(b) If Tenant fails to observe or perform of any of the other covenants, agreements, or conditions of this Lease on the part of Tenant to be kept and performed, including abiding by the Rules and Regulations, and such default continues for a period of thirty (30) days after written notice thereof from Landlord to Tenant; provided, however, that with respect to any default (other than a default which can be cured by the payment of money) that cannot be reasonably cured within said thirty (30) day period, Tenant shall have an additional period of Thirty (30) day period to cure such default, provided Tenant commences to cure within said thirty (30) days and actually cures the default within Thirty (30) days after Landlord's notice.

(c) If Tenant files a petition in bankruptcy or is adjudicated as bankrupt, or files any petition or answer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief for itself under any present or future Law, or makes an assignment for the benefit of creditors, or if any trustee, receiver, or liquidator of Tenant or of all or any substantial part of its properties or of the Premises shall be appointed in any action, suit, or proceeding by or against Tenant and such proceeding or action shall not have been dismissed within One Hundred and Twenty (120) days after such filing or appointment.

(d) If Tenant vacates, abandons, or fails to use the Premises for the Permitted Use as stated in Section 7.01 for a period in excess of thirty (30) days except that Tenant shall not be deemed to have abandoned or vacated the Premises when and to the extent that the Premises are

untenantable by reason of damage by fire, other casualty, or by condemnation, or by Landlord's Default.

(e) If Tenant's conduct is disorderly and results in destroying the peace and quiet of the Landlord or the other tenants or occupants at the Building, Premises, or in the neighborhood and such conduct continues for a period of thirty (30) days after Landlord gives Tenant written notice thereof.

(f) If Tenant's willful acts cause destruction, damage, or injury to the Building or Premises.

Section 18.03 Remedies. In the event of any Event of Default that is not cured by Tenant within the applicable grace periods set forth in Section 18.02 hereof, Landlord shall have all of the following rights and remedies in addition to all other rights and remedies available to Landlord pursuant to applicable Law or in equity:

(a) Landlord may charge a late payment fee and other charge at the Interest Rate in accordance with Section 3.03. If Landlord imposes a late charge in connection with any payment which Tenant has failed to make within the time required in this Lease, Tenant shall pay Landlord, in addition to such payment due, the full amount of such late charge. Nothing in this Lease shall be construed as waiving any rights of Landlord arising out of any default of Tenant, by reason of Landlord's imposing or accepting any such late charges, and/or other interest charge at the Interest Rate. The right to collect such late charges and/or interest at the Interest Rate is separate and apart from any rights relating to remedies of Landlord after an Event of Default by Tenant including, without limitation, the rights and remedies of Landlord provided herein.

(b) To the extent permitted by Law, Landlord may re-enter the Premises and, at the option of Landlord, remove all persons and all or any property therefrom, either by self-help without any duty, requirement, or necessity to provide due process, or to seek a court order by summary dispossession proceedings or any suitable action or proceeding at law or by force or otherwise, without being liable for prosecution or damages therefor, and Landlord may repossess and enjoy the Premises. Upon recovering possession of the Premises by reason of or based upon or arising out of a default on the part of Tenant, Landlord may, at Landlord's option, either terminate this Lease or may relet the Premises for the account of Tenant for such rent and upon such terms as shall be satisfactory to Landlord without thereby releasing Tenant from any liability hereunder and without demand or notice of any kind to Tenant. For the purpose of such reletting Landlord is authorized to make any repairs, changes, alterations, or additions in or to the Premises as Landlord deems reasonably necessary or desirable. Landlord (i) shall not be required to prefer the Premises over any other vacant space which Landlord or Landlord's Affiliates may have; (ii) shall be deemed to be commercially reasonable in considering the relative economic benefit of preferring other space over the Premises; (iii) shall not be required to advertise the Premises to any greater extent than it advertises any other available space; and (iv) shall have no greater obligation with regard to its efforts to mitigate damages than the efforts made by Tenant itself to mitigate damages prior to or after an Event of Default by Tenant. If the Premises are not relet, then Tenant shall pay to Landlord as damages a sum equal to the amount of the rental reserved in this Lease for such period or periods, plus the cost of recovering possession of the Premises (including attorneys' fees and costs of suit), the unpaid Base Rent and other amounts accrued hereunder at

the time of repossession, and the costs incurred in any attempt by Landlord to relet the Premises. In the event of such reletting, all rents received by Landlord from such reletting shall be applied as follows: (A) first, to the payment of any costs and expenses of such reletting, including all costs of alterations and repairs; (B) second, to the payment of any indebtedness other than Base Rent, Additional Rent, or other charges due and unpaid hereunder; (C) third, to the payment of Base Rent, Additional Rent, and other charges due and unpaid hereunder; and (D) forth, the residue, if any, shall be held by Landlord and applied in payment of future Rent as it may become due and payable hereunder. If rentals received from reletting during any month are less than that to be paid during that month by Tenant, Tenant shall pay any such deficiency to Landlord. Such deficiency shall be calculated and paid monthly. No such re-entry or taking possession of the Premises or the making of alterations or improvements thereto or the reletting thereof shall be construed as an election on the part of Landlord to terminate this Lease unless written notice of termination is given to Tenant. Landlord shall in no event be liable in any way whatsoever for failure to relet the Premises or, in the event that the Premises or any part or parts thereof are relet, for failure to collect the rent thereof under such reletting. Notwithstanding any such reletting without termination, Landlord may at any time thereafter elect to terminate this Lease for such previous breach. Therefore, the provisions contained in this Section 18.02(b) shall be in addition to, and shall not prevent the enforcement of, any claim Landlord may have against Tenant for anticipatory breach of this Lease.

(c) Landlord shall be entitled to damages computed in accordance with Section 18.04 below. Landlord shall also have the right to specific performance (including the right to injunctive relief) of any or all of Tenant's obligations under this Lease and to damages for delay in or failure of such performance.

(d) Landlord may terminate this Lease and the Term without any right on the part of Tenant to waive the forfeiture by payment of any sum due or by other performance of any condition, term, or covenant broken. In the event Landlord terminates this Lease: (i) Landlord may accelerate and declare the entire remaining unpaid Rent and any and all other monies payable under this Lease for the balance of the Term hereof to be immediately due and payable; and/or (ii) Landlord may collect from Tenant, as liquidated damages: (A) all past due Rent and other amounts due Landlord up to the date of expiration or termination; plus (B) the difference between Rent provided for herein and the proceeds from any reletting of the Premises, payable in monthly installments over the period that would otherwise have constituted the remaining Term of this Lease; plus (C) all expenses in connection with such reletting including, without limitation, all costs, fees, and expenses of repossession, brokers, advertising, attorneys, courts, repairing, cleaning, repainting, and remodeling of the Premises for reletting. Landlord shall have all the rights and remedies for the collection of Additional Rent as are available to Landlord for the collection of the Base Rent pursuant to the terms of this Lease and as permitted by law or in equity. With or without terminating this Lease, Landlord may re-enter and take possession of the Premises and the provisions contained in Section 18.02 shall operate as a notice to quit and, as a result, any other notice to quit or of Landlord's intention to re-enter the Premises are expressly waived by Tenant.

(e) No right or remedy available to Landlord hereunder or at law or in equity is intended to be exclusive of any other right or remedy provided herein or by law, but each shall be cumulative and in addition to every other right or remedy given herein or now or hereafter existing at law or in equity or by statute.

Section 18.04 Landlord's Damages. Where Tenant defaults beyond all applicable grace, notice, and cure periods, regardless of whether Landlord elects to terminate the Lease, notwithstanding re-entry upon the Premises by Landlord, Tenant shall be and remain liable to Landlord in an amount computed as follows:

(a) An amount equal to the sum of all Rent then in arrears plus the aggregate of all Rent which is payable under this Lease for the balance of the Term, computed as if no Event of Default had occurred and any re-entry had not been made (including, without limitation, Operating Expenses and Real Estate Taxes allocable to Tenant and other Additional Rent that would be owing for the remainder of the Term, as reasonable estimated by Landlord); plus

(b) All actual, out-of-pocket costs and expenses incurred by Landlord in connection with the Event of Default and any reletting of the Premises, including, without limitation, (i) costs of re-entry, repair, and renovation, (ii) the value of all inducements granted or paid to new tenants of the Premises in connection with reletting including, without limitation, construction allowances and the value of rent-free periods, (iii) brokers' commissions and advertising expenses, (iv) watchman's wages and any sheriff's, marshal's, constable's, or other officials' commissions, whether chargeable to Landlord or Tenant, and (v) reasonable attorneys' fees, costs, and expenses; plus

(c) Interest accrued at the Interest Rate on the aggregate of the aforesaid sums from the date each was payable (or, with respect to sums owing under clause (b) from the date each was incurred by Landlord) until paid by Tenant (whether before or after judgment); which sum shall be credited with all rentals actually received by Landlord during the remainder of the Term from any replacement tenant which the Premises are relet.

Section 18.05 Mitigation of Damages. To the extent required by applicable Law, Landlord must use commercially reasonable efforts to mitigate Landlord's damages.

ARTICLE XIX PROTECTION OF LENDERS

Section 19.01 Subordination. This Lease and Tenant's rights hereunder are and shall be subordinate and inferior to any ground lease, deed of trust, or mortgage encumbering all or any portion of the Building, any advances made on the security thereof and any renewals, modifications, consolidations, replacements, or extensions thereof, whenever made or recorded. If any ground lessor, beneficiary, or mortgagee elects to have this Lease rank prior to the lien of its ground lease, deed of trust, or mortgage, and gives written notice thereof to Tenant, this Lease shall be deemed prior to such ground lease or mortgage whether this Lease is dated prior or subsequent to the date of said ground lease, or mortgage or the date of recording thereof. The provisions of this Section 19.01 shall be self-operative, and no further instrument shall be required to cause the provisions of this Section 19.01 to be effective.

Section 19.02 Attornment. If Landlord's interest in the Building is acquired by any ground lessor, beneficiary under a deed of trust, mortgage, mortgagee, or purchaser at a foreclosure sale, Tenant shall attorn to the transferee of or successor to Landlord's interest in the Building and shall recognize such transferee or successor as Landlord under this Lease. Tenant waives the protection of any statute or rule

of Law which gives or purports to give Tenant any right to terminate the Lease or surrender possession of the Premises upon the transfer of Landlord's interest.

Section 19.03 Signing of Documents. Tenant shall sign and deliver any instrument or documents [necessary or appropriate to evidence any such attornment or subordination or agreement to do so. Such subordination and attornment documents may contain such provisions as are customarily required by any ground lessor, mortgagee, or beneficiary under a ground lease, a mortgage, or a deed of trust. If Tenant fails to do so within Five (5) Business Days after written request, Tenant shall be in default under this Lease and further hereby makes, constitutes, and irrevocably appoints Landlord, or any transferee or successor of Landlord, the attorney-in-fact of Tenant to execute and deliver any such instrument or document.

Section 19.04 Estoppel Certificates.

(a) Upon Landlord's written request, , Tenant shall execute, acknowledge, and deliver to Landlord a written statement certifying: (i) that none of the terms or provisions of this Lease have been changed (or if they have been changed, stating how they have been changed); (ii) that this Lease has not been cancelled or terminated; (iii) the last date of payment of Base Rent, Additional Rent, and any other charges and the time period covered by such payment; (iv) that Landlord is not in default under this Lease (or, if Landlord is claimed to be in default, stating why); and (v) such other matters as may be reasonably required by Landlord or the holder of a mortgage or lien to which the Premises are or become subject. Tenant shall deliver such statement to Landlord within ten (10) days after Landlord's request. Any such statement by Tenant may be given by Landlord to any prospective purchaser or encumbrancer of the Premises. Such purchaser or encumbrancer may rely conclusively upon such statement as true and correct. Unless Landlord has received a written statement to the contrary within such ten (10) day period, Landlord, and any prospective purchaser or encumbrancer, may conclusively presume and rely upon the following facts: (A) that the terms and provisions of this Lease have not been changed except as otherwise represented by Landlord; (B) that this Lease has not been cancelled or terminated except as otherwise represented by Landlord; (C) unless provided otherwise, that not more than one month's Base Rent, Additional Rent, or other charges have been paid in advance; and (D) that Landlord is not in default under the Lease. In such event, Tenant shall be estopped from denying the truth of such facts.

Section 19.05 Tenant's Financial Condition. Upon request, Tenant shall deliver to any lender designated by Landlord, from time to time upon request of Landlord, any financial statements required by such lender to facilitate the financing or refinancing of the Premises. Tenant represents and warrants to Landlord that each such financial statement is a true and accurate representation of Tenant's financial situation as of the date of such statement. All financial statements shall be confidential and shall be used only for the purposes set forth herein.

**ARTICLE XX
WAIVER OF CLAIMS**

Tenant agrees that, to the extent not expressly prohibited by Law, Landlord and its lenders, officers, agents, servants, and employees shall not be liable for (nor shall Rent abate as a result of) any direct or consequential damage (including damage claimed for actual or constructive eviction) either to

person or property sustained by Tenant, its subtenants, assigns, officers, servants, employees, agents, invitees, or guests due to the Building or any part thereof or any appurtenances thereof becoming out of repair, or due to the happening of any accident in or about said Building, or due to any act or neglect of any tenant or occupant of said Building or of any other person. This provision shall apply particularly (but not exclusively) to damage caused by water, snow, frost, steam, sewage, gas, electricity, sewer gas, or odors or by the bursting, leaking, or dripping of pipes, faucets, and plumbing fixtures, and shall apply without distinction as to the person whose act or neglect was responsible for the damage and whether the damage was due to any of the causes specifically enumerated above or to some other cause of an entirely different kind. Tenant further agrees that all of Tenant's Improvements, trade fixtures, equipment, and all other Personal Property in the Premises or the Building shall be at the risk of Tenant only, and that Landlord shall not be liable for any loss or damage thereto or theft thereof. Notwithstanding any of the above, this Article XX does not apply to claims resulting from or related to Landlord's grossly negligent acts, willful acts, or criminal/illegal acts.

ARTICLE XXI WAIVER OF NOTICE

Except as otherwise provided in this Lease, Tenant hereby expressly waives the service of: (a) any notice of intention to terminate this Lease or to re-enter the Premises; (b) any demand for payment of Rent or for possession of the Premises; and (c) any other notice or demand prescribed by any Law.

ARTICLE XXII NOTICES

Unless specifically stated otherwise in this Lease, all notices, waivers, and demands required or permitted hereunder shall be in writing and delivered to the addresses of Landlord and Tenant set forth in the Preamble to this Lease, by one of the following methods: (a) hand delivery, whereby delivery is deemed to have occurred at the time of delivery; (b) a nationally recognized overnight courier company, whereby delivery is deemed to have occurred the Business Day following deposit with the courier; (c) registered United States mail, signature required, and postage-prepaid, whereby delivery is deemed to have occurred on the third day following deposit with the United States Postal Service; or (d) electronic transmission by email provided that the transmission is completed no later than 4:00 p.m. EST or EDT (whatever the case may be) on a Business Day and the original also is sent via overnight courier or United States Mail, whereby delivery is deemed to have occurred at the end of the Business Day on which electronic transmission is completed. Any party shall change its address for purposes of this Lease by giving written notice as provided in this Article XXII and notices shall only be valid if served in the manner provided. All notices and demands delivered by a party's attorney on a party's behalf shall be deemed to have been delivered by said party. For purposes hereof, Landlord's address for electronic transmission is subi@tfxny.com and copies of all notices shall also be delivered to Jonathan Ozarow, Esq., Clark Guldin Attorneys at Law, 20 Church Street, Suite 15, Montclair, NJ 07042, jzarow@clarkguldin.com, and Tenant's address for electronic transmission is hayim@luxeeventrentals.com and copies of all notices shall also be delivered to Kellen F. Murphy, Esq., and Jessica R. Brenner, Esq., Murphy Schiller & Wilkes LLP, 24 Commerce Street, 12th Floor, Newark, NJ 07102, kmurphy@murphyllp.com and jbrenner@murphyllp.com.

ARTICLE XXIII BROKERS

Section 23.01 Broker's Fee. Upon the execution and delivery of this Lease by both Landlord and Tenant, Landlord shall pay a real estate commission to Landlord's Broker, as provided in a separate written agreement between Landlord and Landlord's Broker. Landlord's Broker shall pay an appropriate portion of its commission to Tenant's Broker if so provided in an agreement between Landlord's Broker and Tenant's Broker. Tenant affirms that, except as expressly set forth herein, neither Landlord nor any of its agents has made, nor has Tenant relied upon, any representation, warranty, or promise with respect to the Premises or any part thereof. Landlord shall not be considered to have waived any of the rights, covenants, or conditions of this Lease unless evidenced by its written waiver and the waiver of one default or right shall not constitute the waiver of any other. The acceptance of rent shall not be construed to be a waiver of any breach or condition of this Lease.

Section 26.03 Successors. The provisions of this Lease shall be binding upon and inure to the benefit of Landlord and Tenant, respectively, and their respective successors, assigns, heirs, executors, and administrators. Tenant agrees to become the tenant of Landlord's successor in interest under the same terms and conditions of its tenancy hereunder.

Section 26.09 Additional Rights of Landlord. In addition to other rights conferred by this Lease or by Law, and as long as it does not render the Premises untenable, Landlord reserves the right, to be exercised in Landlord's sole discretion, to: (a) change the name of the Building; (b) install and maintain a sign or signs on the exterior or interior of the Building; (c) change the street address of the Building; (d) designate all sources furnishing signs, sign painting, and lettering; (e) take all measures as may be reasonably necessary or desirable for the safety and protection of the Premises, the Building;; (f) have passkeys to the Building; (g) alter, add to, improve, or build additional stories on or built adjacent to the Building; (h) close any skylights or windows; (i) run necessary pipes, conduits, and ducts through the Premises; (j) renovate, refurbish, relocate, or modify the Common Areas; and (k) carry on any work, repairs, alterations, or improvements in, on, or about the Building, or in the vicinity thereof. Section 26.10 Limitation of Liability.

(a) Anything in the Lease to the contrary notwithstanding, any judgment obtained against Landlord in connection with this Lease or the subject matter hereof shall be limited solely to Landlord's interest in the Building, and shall be absolutely nonrecourse with respect to Landlord personally and all other assets of Landlord. THIS LIMITED GUARANTY (“Guaranty”), dated this ____th day of February, 2023, made by _____, having an address at Chaim Trietel (“Guarantor”), to and for the benefit of 1735 Jersey Ave LLC (the “Landlord”).

BACKGROUND

A. On February ____, 2023, Landlord and Luxe Living Design, LLC (“Tenant”) entered into a Warehouse Lease (the “Lease Agreement”) for the rental of approximately 192,000 Square Feet in the building located at 1735 Jersey Avenue, North Brunswick, NJ (the “Leased Premises”).

B. Guarantor acknowledges (i) that the actions of Landlord pursuant to the foregoing are for Guarantor’s benefit, and that Guarantor will share in the benefits of the Lease Agreement realized by Tenant; (ii) that the Lease Agreement therefore constitutes a direct, material benefit to Guarantor; and (iii) that this Guaranty constitutes a material inducement to Landlord to enter into the Lease Agreement, without which inducement the Lease Agreement would not have been made.

NOW, THEREFORE, for other good and valuable consideration, the receipt of which is hereby acknowledged, and to induce Landlord to enter into the Lease Agreement, and with the foregoing Background incorporated herein by this reference, Guarantor, intending to be legally bound hereby, covenant and agree as follows:

1. **Guaranty.** Guarantor hereby unconditionally and absolutely guaranties as surety the punctual payment when due of any and all Base Rent and Additional Rent (as defined in the Lease Agreement), together with any future indebtedness and liability created, arising under, or evidenced by the Lease Agreement, including but not limited to all renewals, extensions, and modifications thereof, and the due and punctual payment of any other monies, costs, fees and expenses due or which may become due under the Lease Agreement, and the due and punctual performance and observance by Tenant of all of the other terms, covenants, and conditions of the Lease Agreement, whether according to the present terms thereof, at any earlier or accelerated dates as provided therein, or pursuant to any extension of time or to any change or changes in the terms, covenants, and conditions thereof now or at the time hereafter made or granted. This Guaranty shall be deemed a continuing guaranty of the Lease Agreement. For such purposes, the terms and provisions of the Lease Agreement are incorporated herein by this reference as if set forth in full.

Notwithstanding anything contained herein to the contrary, during the term of the Lease Agreement, inclusive of any renewal exercised by Tenant, so long as: (a) Tenant shall have given a notice to Landlord stating that Tenant has elected to surrender the Leased Premises (“Surrender Notice”); (b) after Tenant’s giving of the Surrender Notice to Landlord, but not later than the date which is One Hundred Twenty (120) days after giving the Surrender Notice, Tenant (i) delivers the keys to the Leased Premises to Landlord, and (ii) surrenders the Leased Premises to Landlord vacant and free of any occupancies or claims of occupancy rights and in the condition required by the terms of the Lease for surrender of possession by Tenant at the expiration of the term of the Lease (the “Release Date”); and (c) Tenant shall have paid all the Base Rent and Additional Rent due and owing to the Landlord under the terms of the Lease Agreement as of the Release Date, then Guarantor’s obligation for payment of Rent and its full performance and observance of all covenants, terms, conditions, and agreements of the Lease shall extinguish as of the Release Date. Guarantor’s liability hereunder shall at all times to be limited to and capped at six (6) months of any and all

Base Rent and Additional Rent (as defined in the Lease Agreement) due by Tenant to Landlord.

2. Guarantor waives diligence, presentment, protest, notice of dishonor, demand for payment, extension of time for payment, notice of non-payment at maturity, and indulgences and notices of every kind, and consents to any and all forbearances and extensions of time of payment of Base Rent or Additional Rent under the Lease Agreement, and to any and all changes in the terms, covenants, and conditions thereof, it being the intention that Guarantor shall remain liable as principal until the full amount of all sums payable under the Lease Agreement shall have been fully paid and until the terms, covenants, and conditions thereof have been performed and observed by Tenant and notwithstanding any act, omission, or thing which might otherwise operate as a legal or equitable discharge of Tenant.

3. The obligations of Guarantor shall not be impaired, modified, changed, released, or limited in any manner whatsoever by any impairment, modification, change, release, or limitation of the liability of Tenant, or its estates in bankruptcy, resulting from the operation of any present or future provision of the bankruptcy laws or other similar statute, of from the decision of any court.

4. Landlord shall have full right, in its sole discretion and without any notice or consent from Guarantor, from time to time and at any time, and without affecting, impairing, or discharging, in whole or in part, the liability of Guarantor hereunder: (a) to make any change, amendment, or modification whatsoever of any of the terms and conditions of the Lease Agreement; (b) to extend, in whole or in part, by renewal or otherwise, and on one or any number of occasions, the time for the payment of any principal or interest or any other amount pursuant to the Lease Agreement or for the performance of any term or condition thereof; (c) to settle, compromise, release, substitute, surrender, modify, or impair, to enforce and exercise, or to fail or refuse to enforce or exercise, any claims, rights, or remedies, of any kind or nature, which Landlord may at any time have against Tenant whether under the Lease or otherwise.

5. The obligations of Guarantor hereunder are those of a primary obligor, as surety, and are independent of the obligations of Tenant, or its successors and assigns, and are irrevocable. A separate action or actions may be brought and prosecuted against Guarantor regardless of whether any action is brought against the Tenant or whether the Tenant is joined in any such action or actions.

6. In the event that Landlord retains or engages an attorney or attorneys to enforce this Guaranty, Guarantor shall reimburse Landlord for all expenses incurred, including all reasonable attorney's fees, expert fees, court costs and disbursements.

7. Guarantor irrevocably submits to the jurisdiction of the Superior Court of New Jersey, Middlesex County, over any action or proceeding arising out of or relating to this Guaranty, and all claims in respect of such action or proceeding shall be heard and determined in such court, to the extent permitted by law.

8. Guarantor shall have no right of subrogation whatsoever with respect to any of the indebtedness guaranteed hereby or to any collateral securing any such indebtedness unless and until such indebtedness has been paid in full.

9. This Guaranty shall inure to the benefit of and may be enforced by Landlord and his successors and assigns, and any subsequent holder of the Lease Agreement, and shall be binding upon and enforceable against Guarantor and his estates, heirs, successors and assigns.

10. This Guaranty shall be governed by, and construed under and in accordance with, the substantive laws of the State of New Jersey, excluding choice of law rules thereof.

11. GUARANTOR HEREBY WAIVES ANY RIGHT TO REQUEST A TRIAL BY JURY IN ANY LITIGATION WITH RESPECT TO ANY ASPECT OF THE LEASE AGREEMENT OR THIS GUARANTY. GUARANTOR ACKNOWLEDGES THAT HE HAS HAD THE OPPORTUNITY TO CONSULT WITH INDEPENDENT COUNSEL WITH RESPECT TO THIS WAIVER.

[Intentionally Left Blank]

IN WITNESS WHEREOF, Guarantor has executed and delivered this Guaranty as of the day and year first above written.

New Jersey Judiciary
Superior Court of New Jersey
Law Division, Special Civil Part
Landlord Tenant Procedures

The following procedures apply in cases where a landlord is trying to evict (also known as “lockout”) a tenant. Please take the time to read this information and visit the Judiciary website at njcourts.gov for more information about landlord tenant rules and procedures. Both landlords and tenants can ask questions of court staff at any point during the process, but court staff **cannot** provide legal advice.

1. Complaint filed and served

The landlord must file a complaint, summons, Landlord Case Information Statement (LCIS), copy of the lease (or, if the lease exceeds 10 pages, the relevant portions of the lease), registration statement, if applicable, and Certification of Lease and Registration Statement. Those documents will explain why the landlord is seeking to evict the tenant(s) and will be served on the tenant(s).

Tenants must complete a Tenant Case Information Statement (TCIS). The TCIS will explain the tenant’s position. The tenant should file this with the court electronically (or by mail as soon as possible after receipt of the complaint, otherwise it will be required at the trial.

Court forms for both landlords and tenants are available at njcourts.gov under “Forms Catalog”.

2. Settlement Conference

Prior to being sent for trial, the landlord and tenant will be asked to talk to each other to try to settle their case. Trained neutral court staff will help both sides try to settle their case. If the case does not settle prior to trial, the case will proceed to trial before a judge. ***Neither the landlord nor the tenant is required to settle their case and both have the right to a trial.***

Settlement Agreements

If both landlord and tenant agree to settle their case, the court or court staff will review the terms of the settlement agreement. Some agreements will require the judge to review and approve the agreement and some will also require the landlord and tenant to testify about the terms of the agreement on the record in open court. All settlement agreements will be written (or placed on the record), with a copy provided to the parties, and added to the court’s electronic file.

If you settle your case, please note:

- You should settle only if you agree with the terms. Both landlord and tenant must agree to the terms for a settlement.

- Court staff can provide an agreement form which can be completed virtually (by video) or in person. If completed in person, the signed agreement should be provided to the court.
- Court staff can also provide forms for any certification from the landlord and/or the landlord's attorney.
- The wording of the settlement form can be changed depending on the terms you have agreed upon.
- Make sure that you understand the words in the settlement because if you are a tenant and agree to entry of a judgment for possession and do not comply with the terms of the settlement, you can be evicted.
- Any agreement that says a judgment for possession will or can be entered must be approved by a judge if a residential tenant does not have an attorney.

3. Trial

If you are a tenant and you disagree with what your landlord claims, such as the amount of the rent that is owed, you have the right to explain your position at trial. Most trials will be conducted in person. In some cases, trial may be conducted virtually, by video, if prior approval is obtained from the court. If the tenant does not appear, the case can be marked "DEFAULT." This means the landlord can apply for a judgment against the tenant and the tenant can be evicted if the judgement is granted. If the landlord does not appear, the case can be "DISMISSED." This means the case will not proceed.

4. Entry of Judgment for Possession

At the conclusion of a trial or where a tenant does not appear at trial and the landlord proves their case, the court will enter a judgment for possession. A judgment for possession is a written document that contains the result of the case and explains the basis for the court's decision. The judgment for possession also explains the next steps in the process.

When the court enters a judgment for possession, the court is granting the landlord the legal right to possession of the rental property. This can happen if the landlord can prove their case on the day of trial, if the tenant fails to appear and the case is marked as "DEFAULT," or if the landlord and tenant agree to the entry of a judgment for possession.

5. Application for and Issuance of a Warrant of Removal

After the judgment for possession is entered, the landlord can ask the court to issue a warrant of removal to a Special Civil Part Officer. The warrant of removal allows the Special Civil Part Officer to proceed with the process of evicting a tenant from the property. The warrant of removal cannot be issued less than three (3) business days after the judgment for possession is entered. A Special Civil Part Officer is the person who serves (delivers) the warrant of removal on the tenant.

6. Service of the Warrant of Removal

The warrant of removal must be served by the Special Civil Part Officer on the tenant by delivering or posting the warrant of removal on the door of the rental property.

7. Execution of the Warrant of Removal/Eviction

Three (3) business days after the warrant of removal is served, a landlord can request that the Special Civil Part Officer return to the residential rental property a second time to ***execute the warrant of removal*** by requiring the tenant to vacate the premises and permitting the landlord to change the locks. This is when the eviction (lockout) is completed.

NOTE: Landlords cannot evict tenants by themselves. Special Civil Part Officers are the *only* individuals authorized to evict tenants. Tenants cannot be evicted on a weekend or holiday.

Illegal Evictions

A landlord cannot evict tenants from a rental property; only a Special Civil Part Officer can perform an eviction. In order to have a Special Civil Part Officer evict a tenant, a landlord must first get a judgment for possession and then a warrant of removal from the court. ***It is illegal for the landlord to force a tenant out by changing the locks, padlocking the doors, by shutting off gas, water or electricity.*** Landlords can only remove a tenant's belongings after an eviction as permitted by the Abandoned Tenant Property Act N.J.S.A. 2A:18-72 (unless otherwise provided for in a non-residential lease).

Tenants who have been locked out of their homes illegally should call the police. The New Jersey Office of the Attorney General has released guidance on illegal lockouts and the role of law enforcement agencies in preventing them. More information is available at the following link: https://nj.gov/oag/dcj/agguide/directives/ag-Directive-2021-2_Illegal_Evictions.pdf.

Tenants who have been locked out of their rental property illegally can also file a civil complaint at the county courthouse. For more information on illegal evictions (lockouts) go to njcourts.gov.

Other Options After a Judgment for Possession is Entered

- 1. Agreement.** After a judgment for possession has been entered, a landlord and tenant can still try to make an agreement to stop an eviction. If the landlord and the tenant agree, the agreement should be in writing and a copy of the agreement can be filed with the court.
- 2. Paying all Rent Due and Owing.** By law, a residential tenant can pay all rent due and owing plus proper costs up to three (3) business days after the eviction. The landlord must accept this payment and/or cooperate with a rental assistance program or bona fide charitable organization that has committed to pay the rent.
- 3. Asking the Court for Relief.** A tenant can apply for relief to the court. To do so, a tenant must file:

- a. An application for orderly removal requesting up to seven (7) more calendar days to move out if there is a good reason;
- b. A motion requesting dismissal with prejudice of the nonpayment of rent action because the residential tenant paid all rent due and owing plus proper costs, or because the landlord refused to accept the residential tenant's payment, within three (3) business days following the eviction; or an order to show cause because the landlord refused to cooperate with a rental assistance program or bona fide charitable organization that has committed to pay the rent; and/or
- c. An application for a hardship stay, which delays the eviction based on the unavailability of other housing accommodations. That delay cannot be for more than six (6) months from entry of the judgment for possession, and the tenant will have to pay all rent and proper costs.

A tenant can also file a motion under Rule 4:50-1 requesting that the judgment for possession be vacated (reversed) and the complaint dismissed, if the tenant can show good reason such as mistake or excusable neglect, fraud, misrepresentation or other misconduct by an adverse party, newly discovered evidence or any other reason justifying relief from the judgment for possession. For more information visit the landlord tenant page at njcourts.gov.

Contact the Office of the Special Civil Part Office as soon as possible to apply for any of the above. Go to njcourts.gov and search for "Directory of Superior Court Special Civil Part Offices".

División de Derecho, Parte Civil Especial
Procedimientos para Propietarios Inquilinos
Landlord Tenant Procedures

Los siguientes procedimientos corresponden en los casos en que un propietario está tratando de desalojar a un inquilino (también conocido como "lockout" o cierre). Dedíquele tiempo a leer esta información y visite la página web del Poder Judicial en njcourts.gov para obtener más información sobre las reglas y procedimientos para propietarios e inquilinos. Tanto los propietarios como los inquilinos pueden hacer preguntas al personal judicial en cualquier momento durante el proceso, pero el personal judicial **no puede** proporcionar consejos legales.

1. Denuncia presentada y entrega

El propietario tiene que presentar una denuncia, una citación, una declaración informativa del propietario, llamada en inglés Landlord Case Information Statement (LCIS), copia del contrato de arrendamiento (o, si el contrato de arrendamiento tiene más de 10 páginas, las partes pertinentes del contrato), la declaración de registro, si corresponde, y la Certificación del contrato de arrendamiento y de la declaración de registro. Esos documentos explicarán por qué el propietario trata de desalojar al inquilino (a los inquilinos) y se le entregarán al inquilino (a los inquilinos).

Los inquilinos tienen que llenar una declaración informativa sobre el caso, llamada en inglés Tenant Case Information Statement (TCIS). La TCIS explicará la posición del inquilino. El inquilino debe presentarla al tribunal por vía electrónica (o por correo) lo antes posible después de recibida la demanda, de lo contrario será requerida en el juicio.

Los formularios judiciales, tanto para los propietarios como para los inquilinos, están disponibles en njcourts.gov bajo el título "Forms Catalogue" (Catálogo de Formularios).

2. Conferencia de conciliación

Antes de ser enviados al juicio, se le pedirá al propietario y al inquilino que hablen entre sí para tratar de conciliar su causa. Un personal judicial neutral y capacitado ayudará a ambas partes a intentar resolver su caso. Si el caso no se resuelve antes del juicio, el caso se llevará a juicio ante un juez. ***Ni el propietario ni el inquilino tiene la obligación de llegar a un acuerdo en su causa y ambos tienen derecho a un juicio.***

3. Acuerdos de conciliación

Si tanto el propietario como el inquilino llegan a un acuerdo en su causa, el juez o el personal judicial repasará las condiciones del acuerdo de conciliación. Algunos acuerdos requerirán que el juez los repase y apruebe y algunos también requerirán que el propietario y el inquilino testifiquen sobre las condiciones del acuerdo para que consten en las actas de una audiencia pública. Todos los acuerdos de conciliación se escribirán (o constarán en las actas), con copia para proporcionárselas a las partes, y para añadirlas al archivo electrónico del tribunal.

Si usted llega a un acuerdo en su causa, tenga en cuenta que:

- Debe llegar a un acuerdo solamente si le resultan aceptables las condiciones. Ambos, el propietario y el inquilino, tienen que aceptar las condiciones para que haya una conciliación.
- El personal judicial puede proporcionar un formulario de acuerdo que se puede llenar virtualmente (por video) o en persona. Si se completa en persona, el acuerdo firmado se le debe entregar al tribunal.
- El personal judicial también puede proporcionar formularios para cualquier certificación del propietario o del abogado del propietario o de ambos.
- La redacción del formulario de acuerdo se puede cambiar según las condiciones que se hayan acordado.
- Asegúrese que usted comprende las palabras del acuerdo porque si usted es un inquilino y acepta que se asiente un fallo de posesión y no cumple con las condiciones del acuerdo de conciliación, puede ser desalojado/a.
- Cualquier acuerdo que diga que se asentará o que es posible que se asiente un fallo de posesión tiene que ser aprobado por un juez si el inquilino que reside en la vivienda no tiene abogado.

4. Juicio

Si usted es un inquilino y no está de acuerdo con lo que afirma el propietario, tal como la cantidad de alquiler que se debe, usted tiene derecho a explicar su posición en el juicio. La mayoría de los juicios se celebrarán en persona. En algunos casos, el juicio podrá celebrarse virtualmente, por vídeo, si se obtiene la aprobación previa del tribunal. Si el inquilino no comparece, el caso se puede marcar "DEFAULT" [*en rebeldía*]. Eso significa que el propietario puede solicitar un fallo en contra del inquilino y el inquilino puede ser desalojado si se otorga el fallo. Si el propietario no comparece, el caso puede ser "DISMISSED" [*desestimado*]. Eso significa que el caso no continuará.

5. Asiento de un Fallo de Posesión

Al terminar el juicio, o cuando el inquilino no comparece para el juicio y el propietario prueba su causa, el juez asentará un fallo de posesión. Un fallo de posesión es un documento por escrito que contiene el resultado de la causa y explica el fundamento para la decisión del juez. El fallo de posesión también explica los próximos pasos en el proceso.

Cuando el juez asienta un fallo de posesión, el juez le está otorgando al propietario el derecho legal a la posesión de la propiedad alquilada. Esto puede ocurrir si el propietario puede probar su caso el día del juicio, si el inquilino no comparece y el caso se marca "DEFAULT" [*en rebeldía*] o si el propietario y el inquilino aceptan que se asiente un fallo de posesión.

6. Solicitud y emisión de una orden de desalojo

Después que se haya anotado un fallo de posesión, el propietario puede pedirle al juez que emita una orden de desalojo a un Oficial de la Parte Civil Especial. La orden de desalojo permite que el Oficial de la Parte Civil Especial proceda con el proceso de desalojar al inquilino de la propiedad alquilada. La orden de desalojo no se puede emitir antes de tres (3) días laborales de la anotación del fallo de desalojo. Un Oficial de la Parte Civil Especial es la persona que notifica (entrega) la orden de desalojo al inquilino.

7. Notificación de la orden de desalojo

La orden de desalojo la tiene que notificar el Oficial de la Parte Civil Especial entregándosela al inquilino en persona o poniéndola en la puerta de la propiedad alquilada.

8. Ejecución de la orden de desalojo/Desahucio

Tres (3) días laborales después de notificada la orden de desalojo, un propietario puede pedir que un Oficial de la Parte Civil Especial regrese por segunda vez a la propiedad residencial alquilada para ***que se ejecute la orden de desalojo*** exigiendo que el inquilino desocupe el sitio y permita que el propietario cambie las cerraduras. En ese momento se completa el desalojo (lockout/cierre).

NOTA: Los propietarios no pueden desalojar a los inquilinos ellos mismos. Los Oficiales de la Parte Civil Especial son los únicos autorizados para desalojar a los inquilinos. No se puede desalojar a los inquilinos los fines de semana ni los días feriados.

Desalojos ilegales

Un propietario no puede desalojar a los inquilinos de una propiedad alquilada, solo un Oficial de la Parte Civil Especial puede llevar a cabo un desalojo. Para que un Oficial de la Parte Civil Especial pueda desalojar a un inquilino, el propietario tiene que obtener del juez primero un fallo de posesión y después una orden de desalojo. ***Es ilegal que el propietario obligue a salir a un inquilino porque ha cambiado las cerraduras, puesto candados en las puertas, o desconectado el gas, el agua o la electricidad.*** Los propietarios solo pueden sacar las pertenencias de un inquilino después de un desalojo según lo permita la ley sobre la propiedad abandonada de un inquilino *Abandoned Tenant Property Act* N.J.S.A. 2A:18-72 (a menos que el contrato de arrendamiento no residencial lo disponga de otro modo).

Los inquilinos a los que se les ha cerrado ilegalmente el acceso a su vivienda deben llamar a la policía. La Oficina del Procurador General de Nueva Jersey ha comunicado orientación sobre los cierres ilegales y el papel de las agencias del orden público para prevenirlos. Hay más información a su disposición en el siguiente enlace: https://nj.gov/oag/dcj/agguide/directives/ag-Directive-2021-2_Illegal_Evictions.pdf

Los inquilinos a los que se les haya cerrado ilegalmente el acceso a la propiedad alquilada también pueden presentar una demanda civil en el tribunal del condado. Para obtener más información sobre los desalojos ilegales (lockouts), visite njcourts.gov.

Otras opciones después de anotado un fallo de posesión

1. **Un acuerdo.** Después de anotado un fallo de posesión, el inquilino y el propietario todavía pueden tratar de llegar a un acuerdo para detener el desalojo. Si llegan a un acuerdo, el propietario y el inquilino deben poner el acuerdo por escrito y se puede presentar una copia del acuerdo al tribunal.
2. **El pago de todo el alquiler vencido y adeudado.** Según la ley, el inquilino de una residencia puede pagar todo el alquiler vencido y adeudado más los costos apropiados hasta tres (3) días laborales después del desalojo. El dueño tiene que aceptar ese pago y/o cooperar con un programa de ayuda con el alquiler o con una organización benéfica confiable que se haya comprometido a pagar el alquiler.
3. **Solicitud de amparo al juez.** Un inquilino puede solicitar una protección judicial al tribunal. Para hacerlo, el inquilino tiene que presentar:
 - a. Una solicitud para un traslado ordenado en la que pida hasta siete (7) días calendario más para mudarse, si existe un buen motivo;
 - b. Un pedimento en el que solicite que se desestime con perjuicio la acción por falta de pago del alquiler debido a que el inquilino de la residencia pagó todo el alquiler vencido y adeudado más los costos apropiados, o porque el propietario rehusó aceptar el pago del inquilino de la residencia dentro de los tres (3) días laborales siguientes al desalojo; o una orden para que se presente fundamentación jurídica debido a que el propietario rehusó colaborar con un plan de ayuda con el alquiler o con una organización benéfica confiable que se ha comprometido a pagar el alquiler; y/o
 - c. Una solicitud de estancia por dificultades (*stay*), la cual retrasará el desalojo sobre la base de una falta de otros alojamientos. Este retraso no puede ser más de seis (6) meses a partir del asentamiento del fallo de posesión y el inquilino tendrá que pagar todo el alquiler y los costos apropiados.

Un inquilino también puede presentar un pedimento según la Regla 4:50-1 pidiendo que el fallo de posesión se rescinda (se revoque) y se desestime la demanda, si el inquilino puede mostrar un motivo justificado, tal como un error o negligencia excusable, fraude, representación falsa u otra conducta indebida por una parte contraria, una prueba recién descubierta o cualquier otra razón que justifique una protección contra el fallo de posesión.
